Thunder Bay K&A Twins Senior Hockey **K&A Twins games in Fort Frances postponed**

Nov. 8 — In what was supposed to be the opening weekend of games for the Thunder Bay K&A Variety Twins senior AAA hockey team turned into a postponement of the weekend set in Fort Frances vs. the first-year Thunderhawks.

According to a source the apparent reason the cancellation of the two games was due in part to the home side not having enough players officially registered with Hockey Northwestern Ontario in time for them to be covered by Hockey Canada insurance and other related protections.

No make up dates for the two called off games have been announced as of yet.

The Twins will now look to begin their season Nov. 21-22 when they host the Kenora Thistles at Fort William First Nation Arena. Game time each day is set for 2:30 p.m.
